A photograph of a sign for an orchid show. The sign is mounted on a wall and features a background image of a lush garden with various orchids and a glass conservatory in the distance. The sign itself is divided into three horizontal sections: a white top section with black text, a middle section with a colorful illustration of a mountain landscape with a stream and various orchids, and a black bottom section with white text. The entire sign is framed by a white border.

**The Orchid Show:
Natural Heritage**

Opening February 18
